HND Web Development: Mini Graded Unit Project 2022

Information

This project that consists of three stages: Planning, Developing, and Evaluating. It is a Practical Assignment that will take place under supervised and unsupervised open book conditions.

The brief is simple – plan, design and develop *a personal portfolio of projects to showcase your skills and talents*

The marks allocated for each stage will be aggregated to arrive at an overall mark for the project.

Planning stage	15 marks
Development Stage	70 marks
Evaluation Stage	15 marks
Total Possible	**100 marks**

To gain the HND you need to pass all the units.
The total mark along with the quality and standard of all other unit submissions will determine your final grade.

A = 70%–100%
B = 60%–69%
C = 50%–59%

Learner Instructions

Complete the 3 stages of the project which are detailed below.
You can use any software, coding languages, tools and technologies that you want. This is your chance to showcase your skills.
You may ask your lecturers for guidance and clarification.

Submission:

- Planning Document
- Design Document
- Completed website
- Testing Document
- List of all the tools, technologies and languages used in planning, design and development
- Evaluation Report

Stage 1- Plan the project

	Possible Marks
• Project proposal – what the project entails	3
• Definition of project requirements	6
• Project plan – timescales, task and resources	6
Total Possible Marks for Planning Stage	**15**

Stage 2 – Design, Develop and Test the project

	Possible Marks
• Design documentation	15
• Web-based product	40
• Test documentation	15
Total Possible Marks for Development Stage	**70**

Stage 3 – Evaluate how the project went

Produce evidence in the form of an **evaluation report** which includes all of the following:

	Possible Marks
• Summary of project	3
• Extent to which solution meets the requirements	3
• Strengths and weaknesses of the solution	3
• Effectiveness of the development approach and process	3
• How the process and product could be improved	3
Total Possible Marks for Evaluation	**15**

End of Assessment
